

SOARING TO NEW HEIGHTS

STUDENT SPONSORSHIP PROGRAM

The *Soaring To New Heights* program enables benefactors and local businesses to help families overcome the challenge of paying for a Hudson Catholic Regional High School education. Through this program, you can help provide the resources needed for a child to attend Hudson Catholic. In doing so, you will not only make a dramatic difference in the life of a student, but also serve as an example of the individual development and responsibility to the community that is the hallmark of our mission statement.

How does the program work?

Your financial contribution will be utilized to defray the cost a student's tuition. Included in the program is the opportunity for the donor to become a mentor to a student of their choice.

Who benefits?

Students who want the advantage of Hudson Catholic education, but who need financial assistance will benefit most directly from contributions towards tuition assistance. Indirectly, the entire Hudson Catholic community will share in the benefits of monetary contributions. With less of our budget dedicated to tuition assistance, we will be able to add directly to our academic programs. The additional benefit for the donor is the satisfaction of knowing their compassion has made a real difference in a child's life.

How can I support a Hudson Catholic student?

Sponsors commit to partially or fully fund the tuition for one or more students for one year or they may elect to sponsor a student for every year the student is enrolled at Hudson Catholic. We welcome donors an opportunity to provide mentorship to a student. Mentors must commit to supporting a student for their entire tenure at Hudson Catholic. Mentorship involves attending an introductory workshop, plan meetings with the student several times a year and monthly contact via phone or email.

How do I contribute?

Soaring to New Heights provides several levels of gifting and options for payment. Simply select the option from the category that best suits you.

Gifting Levels: Options include a wide range of gifting levels. Donors may select from one of our suggested levels of contribution or choose a level that best fit's their budget.

Payment Options: Contributions can be made monthly, quarterly or annually. Donors can pay by check, credit card or PayPal.

How can I find out more information about the program?
