SOARING TO NEW HEIGHTS SOLICITATION LETTER

Dear Friend of Hudson Catholic Regional High School,

Several years ago, Hudson Catholic Regional High School began a program designed to assist the school in awarding tuition assistance to those students worthy of acceptance and/or continued matriculation at our school and whose family had found the cost of tuition to be an impediment to their child's attendance. This initiative, the *Soaring to New Heights* program, was designed to provide tuition assistance via donations from individuals, businesses, unions or foundations to students identified through a comprehensive evaluation of family need. Students with varying needs received different levels of tuition assistance based upon this evaluation.

We also welcome the opportunity for donors to become mentors as well if they wanted to make that additional commitment of time. Mentors are required to attend a workshop, *Protecting God's Children*, which is mandatory of all staff members and volunteers at all Newark Archdiocesan schools. This mentorship is also provided under the direction of Mr. Terrence Matthews, Dean of Students, and Mr. Jaime DeLeon, Director of Admissions.

This program has been well received and very successful. We will begin the seventh year of this program during the 2019-20 school year. Donations received through the *Soaring to New Heights* program will allow us to offset the additional costs that are incurred with the provision of need based tuition assistance. The generous contributions that will be received through this program will allow students to attend a quality Catholic high school with a great tradition, based upon the teachings of St. John Baptiste de La Salle, with a 100% college acceptance rate that has placed students in some of the country's best colleges and universities.

Enclosed is information that describes the program and a sponsorship application form. We ask you to consider being a part of a young person's life through your generosity to the *Soaring to New Heights* program. God bless you on your efforts on behalf of our students and their families.

Sincerely,

Richard Garibell
President/Principal
